

LUCIFER IN THE VATICAN

BY KEVIN WATSON (FEBRUARY 2015)

INTRODUCTION

We all know from scripture that Satan the Devil is the god of this World. He has had devastating effects upon man since the days of Adam and Eve in the "Garden of Eden".

He has been counterfeiting everything God has purposed, and is not backwards in stirring up venom and hatred towards righteous people who resist his wave lengths, to try and stay loyal to the true God. Wars, inquisitions and down - right hostility in the form of persecution has always been thrown up against God's faithful.

Satan's mother church has always been centred in Babylon, and was transferred to Rome, but it's still Babylon. The Babylonian or Chaldean religion began with Nimrod and Semiramis soon after Noah's Flood and has been the Devil's primary institution of evil inflicted upon mankind. Around Christ's time was when it formerly was transferred to Rome under Simon Magus a Samaritan magician and sorcerer. This Roman Catholic Church has been unique in that it portrays itself as Christian, yet persecutes, murders and incites annihilation of religions and races of people thinking differently from themselves. They are plainly led by the Devil and now there is ample evidence about that this is so in the physical sense.

WELCOME TO LUCIFER WORSHIP IN THE VATICAN

When you examine recent history of the World and you learn what the various Popes have been up to, in the name of the Roman Catholic Church, you can come to only one conclusion. The Devil is well and truly involved here! The Devil has many names, some of which are the more common ones Satan or Lucifer.

It is very interesting to now know and fully realise just how Satanic this church is that sits on the seven hills of Rome, and encompasses many waters as God says, meaning it is widespread amongst the peoples of the Earth. It has a throne and is full of idols and blasphemies.

I have just played a couple of video tapes available on the internet which show a couple of services being conducted within the Vatican's walls. Can you believe it; here were priests speaking in Latin chants praising Lucifer. That's right Lucifer and these Satanists were chanting that Christ is Satan's son. They were formerly venerating Lucifer as the god of this World. Members of the audience were giving the Satanic sign of the Baphomet with their fingers. Apparently such services have been undertaken in Rome, Turin and Milan.

On April 27th, 2014 Pope Francis announced that Lucifer was the father of Christ- now that is rather shocking! He has in recent times said a few whacky things contrary to scripture, illustrating that he is

a man of lawlessness, the man of sin and your Bible says he is going to perish in the lake of fire when Christ returns. And cop this, all who were present at such services dutifully said, "Amen"- meaning, "So be it". Now that is shocking! Either they don't realise what the Pope has said or they are fully behind these blasphemies. The priesthood has to know, as they study Latin, and many are directly involved in the worship of Satan.

Pope Francis during Easter Mass in 2013 involved the name of Lucifer in their East Star or Easter Mass Ex Sultet. Yes, you read that correctly too. Both he and the Catholic Church **makes singing a love song to the Devil part of their worship service**. There are videos of these things occurring on the internet.

Pope Francis never stops talking about the Devil and Mary worship ; it's constantly in anything he talks about

WHO IS LUCIFER?

Isaiah 14:12-14 "How art thou fallen from heaven, O **Lucifer, son of the morning!** How art thou cut down to the ground, which didst weaken the nations!

(V13) For thou hast said in thine heart, **I will ascend into heaven, I will exalt my throne above the stars of God. I will also sit upon the mount of the congregation in the sides of the north:**

(V14) **I will ascend above the heights of the clouds; I will be like the most high"**. Notice all the self-righteous "I's", I this and I that. Full of puffed up vanity!

Lucifer is none other than Satan the Devil. This Lucifer name that the Catholics seem to like using a lot lately is the Latin name for "Heylel" – which means "son of the morning" or "light bringer". Satan – means "Adversary".

II Corinthians 11:14 "..... **Satan himself is transformed into an angel of light"**. This church has been at pains to make out that they are the one and only church, and that we should all fall under her spell. No way hosseeee!

Rome has even conducted Solar Masses to Apollyon.

Eminent churchmen claim that once Luciferianism controls the citadel of Rome, they will win control of the World for 1000 years.

Why does the Vatican require up to eight exorcists working within the Vatican walls. Even some exorcists have required exorcism. This exorcist thing has been going on in Rome for centuries. 1898- Pope Leo XIII introduced a prayer of exorcism. Rome is the seat of the antichrist.

Rome has a number of secret societies which report directly to the Pope and the Freemasons are a place of Satanism, and one day hope to overthrow Christianity. The Catholic Church has wholeheartedly embraced Freemasonry, thereby hoping to control it.

Right now there has to be a spiritual war going on between Satanism and Christ. This form of Satan worship has been going on for many decades, and if you believe Catholic author Malachi Martin who has written many books exposing what's going on within Vatican walls. He says that on **June 29th 1963 the Catholic Church formally enthroned Satan in the Vatican.**

Paedophilia and homosexuality gravitates to the Vatican. Really even in all the other Orthodox and Protestant churches there is just as much immoral behaviour going on. Even the Jewish Rabbis have been in trouble here in Australia (A Government backed enquiry is proceeding right now).

NO ONE WAS TOLD MUCH ABOUT THIS NEW POPE WHEN HE WAS ELECTED

13/3/2013 saw Cardinal Bergoglio elected to become Pope Francis I and he was enthroned on the 19th March. He was the very first Jesuit Pope or Black Pope.

Francis (as Cardinal Bergoglio) lived in Argentina where **he was deeply involved in the “Dirty War”** or new inquisition created under right wing President General Videla (1978-83). 30,000 undesirables were rounded up, and most disappeared, including around 500 pregnant women. They gave birth in captivity, were killed and the orphaned children still don't know much of their family lineage. Bergoglio is reported to have turned over to the authorities two of his own priests. Bergoglio was the top Jesuit in charge of the Argentine Inquisition. He could “protect” or “recommend” torture and execution.

If the Catholic Church was aloof as to what really was happening, how come they gave regular communion to the leading protagonists – Videla and his cronies.

A 2005 lawsuit saw Bergoglio summonsed to court, but twice he claimed immunity and failed to show. On the third attempt in 2010 journalists reported that he was evasive. This is all reported in a book called “The Silence-From Paul VI to Bergoglio” by Horacio Verbitsky.

This Pope is working feverishly to get all religions back to Rome under him. It's worth noting that before any foreign trip he always goes and consults with the retired Pope Benedict who remains in hiding within the Vatican walls.

LUCIFER HAS BEEN ENTHRONED WITHIN THE VATICAN

Malachi Martin an ex Jesuit priest, who was a professor at Jesuit Georgetown University (now assassinated) said, “*Lucifer has been enthroned in the Catholic Church.*” Satan worship is now rampant within this church. Priests and bishops alike are known to have taken contract oaths to serve the Devil, signed in their own blood! Satan worshippers are now masquerading as Catholic clergy while secretly paying homage to Lucifer. He repeated his allegation to the ‘Fatimer Crusader’ – a well-known Catholic publication. It has grown in leaps and bounds since Vatican II Ecumenical Conferences in the 1960's.

Now, the last few Popes have allowed such evils to exist and even prosper. As far back as 1976 pope Paul VI shocked his papal audience by confiding that Satan had entered the Vatican. He went on to admit that he had knowledge of a midnight hour, Black Satanic Mass being conducted at the altar of St. Peter's, on the exact spot, where the Pope himself regularly says Mass.

In 2000 black Archbishop Emmanuel Milingo stunned an international audience of bishops, priests, nuns and laity in Rome by exposing Satanic worship by the highest echelons of the Catholic hierarchy.

Midnight hour Black Satanic Masses have been conducted at the altar of St. Peter's in the exact spot where the Pope himself regularly says Mass.

QUOTES FROM HIGH CATHOLIC OFFICIALS: *"The Devil in the Catholic Church is so protected now, he is like an animal protected by the government. The Devil is protected by certain church authorities from the official devil removalist in the church- the exorcist. The exorcist has been forbidden to attack the Devil himself".*

"Satan worship has mushroomed in recent years as Catholic Cardinals, Bishops and priests have joined the Masonic body in record numbers. Until the papacy of John Paul II membership by Catholics in any kind of Masonic Order, was an ex- communicable offence. Now membership is commonplace".

Masons despise the name of Jesus and prohibit that name being mentioned inside their Lodges. The Masons get their values and origins from ancient Egyptian/ Babylonian practises.

Here is what was said in a Catholic service in the Vatican by a Catholic Deacon. It is translated from the Latin language in which it was said, *"Its flame a light, O Lucifer the morning come. And he I say, O' Lucifer, who does not know the going down thereof. **Christ thy Son**, who, returning from the grave, human race shed his peaceful light, and now lives and reigns for ever end. Amen."*

BLATANT DEVIL WORSHIP

EASTER VIGIL 2013 – St PETER'S BASILICA, VATICAN - Now a quote from Pope Benedict, *"I Pope Benedict, hereby declare you be CHRIST! and your worship an official "Christian" holy day = SUNDAY worship.*

Revelation 13:4" *And they worshipped the dragon which gave power unto the beast; and they worshipped the beast, saying, Who is like unto the beast? Who is able to make war with him?"*

APRIL 27TH 2014 - Pope Francis went to a great deal of trouble to have this Easter Mass service televised and broadcast worldwide, WHY? This service or ceremony was held to induct two former Popes into sainthood, but there was another more important pronouncement made, which has shocked people, especially outside the RCC when the Latin was interpreted exactly as said word for word. Here is what this same Deacon said at that time in a Latin chant. IT WAS A DECLARATION TO THE WORLD!

"His flame dawning his own creation...

May I say O' Lucifer, who knows no setting, who came back from the dead and shed his peaceful light to the human race and is alive and reigns forever and ever." And all those assembled in the Vatican chanted **"Amen"**. This is straight out blasphemy!

Here is what is going on..... **LUCIFER WAS DECLARED GOD.** Who is Lucifer anyway and should we really care? The Bible tells us exactly who Lucifer is!

Isaiah 14:12-14 *"How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations!*

(V13)For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the

stars of God; I will sit all upon the mount of the congregation, in the sides of the north;
(V14) I will ascend above the heights of the clouds; I will be like the most high”.

Lucifer is none other than Satan himself. Lucifer is the Latinised version of his biblical name – **HEYLEL** –which means “Son of the morning” or “Light Bringer”. This is why the beginning of the declaration started with “His flame (light) dawning his own creation”.

II Corinthians 11:14 “And no marvel; for Satan himself is transformed into an angel of light”. Lucifer is a fallen angel created by God. His name became Satan which means “adversary”. Don’t be deceived by those who call him God..... Be very aware of what is going on within the Vatican’s walls. **Catholics are exalting Lucifer as the victor over our Great High God.** This is yet another blatant lie.

Pope Francis and the Vatican has introduced the World to their god, that they have been worshipping all along, Lucifer. According to Pope Francis and the Catholic Church, the “Morning Star” is the creator of this World, and the father of Christ. He is supposed to have brought “light” to the human race!

Why be surprised about Lucifer inhabiting the Vatican? The Temple (St. Peter’s Basilica) has the Egyptian sun god obelisk on display in its front yard. All the pagan crosses, statues of Mary (really that old Babylonian Semiramis or Astarte, all the sun burst images, stain glassed windows etc, all depict that ancient Chaldean - Babylonian mystic religion invented soon after Noah’s Flood and carried through to our day with a little Christian belief and history added.

For thousands of years the basement of the Vatican has harboured many secrets. One being that there is a wall painting depicting Lucifer (that is, the light bringer) – the morning star. On the opposite wall there is a drawing of Vesper = the evening star. These are cosmic symbols of the human life cycle.

Daniel says the Devil’s Antichrist shall speak “dark sentences” and shall worship a god his father’s knew not.

Know you know why Satan worship is so fervently and irreverently practised in the very seat of Rome, inside the very profane temple the Popes have built, known as St. Peter’s Cathedral or Basilica.

By now you should be getting impression that this huge Roman Catholic Church, is a gigantic fraud, a hideous counterfeit conjured up by the Devil himself to have the world in captivity to him. The world in in captivity to the Devil, yet they DO NOT REALISE IT. Why does no one ever bother to check up on the origins of practises and beliefs undertaken in modern religions?

DEVIL WORSHIP IS NOT CONFINED TO THE CATHOLIC CHURCH

This Satanism is not confined to the Catholic Church, it’s now in the Methodist, Anglican, Episcopal Mormon and Charismatic churches. Yes, even the Mormon hierarchy have admitted to having elders conducting Satanic rituals.

The devil tolerates all false religion. Satan is proud to be an ecumenical being, “Any faith, but that of Jesus Christ and His Word, the KJV Bible” - is the Devil’s motto.

VATICAN AND JESUITS DEEPLY INVOLVED IN WWI AND WWII

With a plethora of sordid events going on before both WWI and WWII the Catholic Church has been absolutely proven to have been in the thick of it. They were the organisers, the shepherds guiding and instructing of events to happen including setting up the “Final Solution” or the new Inquisition or Holocaust which operated from 1933-45, in which 18-20 million people were slaughtered being regarded as heretics. The commonly bandied about figure of 6 million Jews being killed during WWII is also false. The true figure is about 11 million. The 6 million figure was arrived at between the victorious Allies and the Catholic Church at wars end as an “acceptable” figure. These figures incorporated the years 1943-45 only. When in fact, Nazi persecution began in 1929, with the first concentration camps being set up in 1933.

The Jesuits specifically instructed the Germans to kill undesirables (perceived heretics – anyone contrary to the Catholic Church) by burning alive. This was in effect practising the pagan traditions of sacrifices to that ancient pagan god Molech, and was the favoured method enshrined in Papal bulls of being rid of all heretics. In response the Nazis came up with a method of gassing the inmates, rendering them unconscious, for easier placing onto specially designed stretchers for insertion into the concentration camp crematorium ovens. Many woke up in the ovens screaming and could be heard across the camps by other inmates. Incidentally from the word “Molech” we get “Immolate”).

Is it any wonder that the witch doctors, wizards and magicians from the Asian sub –continent and from Africa complained that they had lost their powers during WWII. The Demon world had abandoned those areas for Europe.

Commonly glossed over too are the effects of the Nazi Einsatzgruppen Death Squads who followed the German army through the Ukraine, Byelorussia, and the Baltic States slaughtering any Jews they could find. The Catholic Church who was guiding the Nazi behaviours, also had millions of Slavic Orthodox and Romani peoples rounded up and exterminated in the field. The Bible talks of this ‘great whore’ riding the Beast power of Europe. What does a horse rider do? The rider steers, turns, instructs, pushes the horse to do, or go where he or she wants. This expression describes what the Roman Catholic Church does regards a European military power (Her sword) to a T.

It’s also interesting **that prior to WWI, the Pope of the day asked Kaiser Wilhelm II to use Germany as her sword, to do her bidding.** [Book - Kaiser Wilhelm II Memoirs].

It is a fact also, that the German army to get rid of approx. 2 million captured Soviet military POWs, marched them to an open field, surrounded it with guards and barbed wire and then left these men to the elements without food or water. It didn’t take long for all these men to freeze and starve to death. It was a contributing factor to Hitler’s defeat because these Soviet troops for the most part had no loyalty to Stalin, in fact they pleaded with their German captors to rearm them and help them attack Stalinist forces.

After WWII the Catholic Church was running for cover, yet they went to great lengths to protect loyal Nazi and Fascist war criminals. Many were hidden in Monasteries, Churches and even hosted in the Vatican. Catholic money (or rather the money and gold stolen from slaughtered Serbs in the Balkans amounting to around \$600 million was utilised to set up the Ratlines escape network to mainly South America. Buenos Aires, Argentina was a favourite stopping point and saw notorious Catholic Nazis such as Mengele, Adolf Eichmann and Pavelic flee there. The Leader at the time was the ardent Catholic Juan Peron who was very pro – Nazi.

WHAT OF THE FUTURE?

The Popes army or the Jesuits have thoroughly infiltrated every facet of society and they are absolutely evil, being prepared to do anything hideous to further the aims of the Catholic Church. Yet on the surface they are so pious and innocent when they appear before world leaders.

Matthew 24:33 “So likewise ye, when ye shall see all these things, know that it is near, even at the door”.

(V15) When ye shall therefore see the abomination of desolation spoken of by Daniel the prophet, stand in the holy place (whoso readeth, let him understand) End time believers will see and recognise the antichrist. The Apostle John who wrote in 90 A.D., used the terms antichrist and false prophet synonymously. This Pope Francis prays to Mary statues, to the dead and to Lucifer.

Daniel 9:27 This verse is indicating a seven year agreement will be signed by the Vatican with the Jews, but at the halfway point the Vatican breaks it, and this is when the Sunday worship will be enforced The tribulation begins, the Pope takes off his pious mask and reveals who he really is. Billions across the Earth will die! It’s possible that this 7 year agreement could be made on Trumpets (Sept/Oct 2014) and is broken March 31st 2018 when this Pope stops the sacrifices (70th anniversary of Israel’s foundation in 1948). Could it be that Francis sits in the 3rd Temple on March 31, 2018. Time will tell. It may be a time of, “Accept the Mark of the Beast”= Sunday worship or be beheaded.

Revelation 13:15-17

Mark 13:20

Revelation 6:15-16

THE PAPACY IS INTENT ON MOVING TO JERUSALEM

Shudder, shudder, can you imagine God puking at this heinous blood thirsty, Luciferian church being set up in His eternal city.

Israel and the Vatican signed an agreement in June 2014, which only needs ratification, whereby Israeli authorities have granted the pope a seat at King David’s tomb and a place in the room where the Last Supper was held, on the eve of His crucifixion. The R.C.C. has for centuries desired to control Jerusalem especially Mt. Zion and have worked tirelessly behind the scenes to reduce Jewish rights within Jerusalem.

Pope Francis also signed something in Ramallah on his visit there. All letterhead materials showed Palestinian State on top. The Pope wants dozens of biblical sites handed over to him. The upshot is the Jewish presence in East Jerusalem is severely threatened. The Vatican wants the Jews out of the Old city.

Daniel 11:31 and 12:11 The Israeli government is turning the Cenacle into an active church which is also a way of desecrating the holiness of the site known as the Tomb of David.

Open your eyes, Muslims are claiming the Netanyahu is about to have the Third Temple built. But in reality a Temple does not need to be built. Just an altar needs to be constructed.

THE GREATEST INQUISITION PERIOD EVER IS NEAR

Mathew 24:9 "Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my names sake". The greatest persecution ever seen is to begin about 2018. It's coming to America very soon America is no longer the safe haven it once was.

Ever since 2003 the so called Christian churches have been under attack around the World, especially in Iraq, Africa and the Asian sub-continent. It's essentially being perpetrated by the various Muslim terrorist groups established in their respective areas at present. Christians are fair game, being slaughtered, evicted and their church buildings being burnt down. Often the adolescent girls are being kidnapped as wives and sex slaves to the male fighters.

There are many warnings to our Western leaders, but they ignore such warnings. Some of those being persecuted by savage persecutions are beseeching Europe and America to pray, to help them, but are they? These pleas seem to be being ignored especially by President Obama a passionate Muslim who was educated by Jesuit Georgetown University. It in fact suits the R.C.C. to have the Muslims cause such mayhem, because it gets the World's attention off them, gives them a free hand to engineer events for WWIII.

Obama blatantly says America is no longer Christian. In part that is true but it's not helped by his attitudes, influence and the deliberate sacking and demoting of anyone praising Christianity, praying etc. Lately Obama has said things such as, "History has come full circle, with the Christian crusaders actions being reversed. That's a very perverted view of what, when, where and why, such events were put into action at the time.

AMERICA IS IN SERIOUS TROUBLE: Circumstances are being engineered right now to cause civil strife in America.

1. We have the Ferguson riots, of Black against White.
2. What's happening in the Universities and High Schools is reminiscent of what happened in Nazi Germany in the 30's. The Middle- East situation where the Arab propaganda machine has been in over-drive for some years, is having an effect in US Universities. Recently pro-Palestinian forums and speakers have been given free run, and half the students walk out. But what is really alarming is the attacks perpetrated on anyone who speaks up for the Jewish situation and even attacks on anyone supporting Christianity. There has to be Jesuits

agitators helping stir things up. This degree of deterioration has grown from nothing very rapidly and the only way I can explain it is both Moslem and Jesuit agitators trying to divide America. The exact same pattern happened in Germany prior to WWII breaking out.

Look what happened recently in Philadelphia: some Christians from 'Repent America' wanted to conduct a prayer rally, but homosexual groups came to prevent it taking place and the authorities just watched from a distance at first, then moved in to arrest the 'Repent America' group. An older lady arrested said if they were charged under the "hate crimes" law they could have been imprisoned for up to 47 years.

U.S. politicians on both sides are saying nothing regards the inroads being made by Islamics. It's no secret that Obama gave encouragement to the Muslim brotherhood's takeover of many North African nations in recent years, and now he openly invites and has appointed Muslim Brotherhood Arabs to various US government institutions. This is treason of the worst order.

Christian total 2.2 billion, while the Islamics total between 1.2 and 1.5 billion. Christians are rapidly becoming an endangered species in many nations where Islamics are in the majority.

3. Collapse the US economy and look out, there will be blood in the streets as desperate groups fossick for food. This would provide Obama with the perfect excuse to institute **martial law**, then watch and see who is rounded up for the **FEMA concentration camps** and then watch for the guillotines (30,000 currently in storage at two US military bases in Montana and Georgia) being distributed across the country. It's just possible there will be no more US elections with Obama taking executive actions to make himself president for life. It is possible!

God says right at the end of the age, just before Christ returns it will be like the days of Noah, with crime, murders, killings, homosexual marriages etc. It's a sad thing to witness, but it's getting like that all over the earth at present.

TRUE CHRISTIANS NEED TO PREPARE

Blatant Satan worship is now increasingly more rampant within the Catholic Church. Many high ranking churchmen are guilty of this heinous crime against God. According Malachi Martin (ex- Jesuit priest), the smoke of Satan has entered the very sanctuary of St. Peter's Basilica in the Vatican. Many priests and bishops alike are known to have taken contract oaths to serve the Devil, signed in their own blood.

These accusations no longer are just the rants of hostile Protestant critics to Roman Catholicism, but from a variety of top ranking Catholic prelates themselves. This vile sickness is so far advanced it reaches to the Papacy itself. It has had an effect on rank and file priests and nuns right around the World.

Thousands of ardent Satan worshippers are now masquerading as Catholic clergy while secretly paying homage to Lucifer.

We must develop courage, faith, endurance and above all, overcome, as God instructs over and over in the Bible. True Christians are going to be harassed, delivered up for slaughter, in fact anyone opposed to the Catholic - Beast combine will be rounded up and slaughtered. The Devil hates true believers and he knows he has so little time left before being imprisoned himself.

Many Protestant churches are now **discarding the authoritative and most accurate** KJV Bible, for the error ridden post 1611 bibles. This has largely come about by Jesuit controlled priests who have infiltrated most churches. Even the SDA church is not a patch on what they once were. Many are going quasi- Catholic, by keeping Christmas in July, Christmas itself and many other beliefs and practises are being changed to become more apostate.

Both the Roman Catholic Church and Islam worship Lucifer as their god quite openly now – a – days. The sun –god worshipping Catholics created Sunni Islam; that is why they want so badly to kill Iranian Shiites- which is another branch of Islam.

The Roman Catholic representation of the ancient Chaldean who controlled Babylon and had everyone worship the Sun god, the moon and the stars. Moses warned mankind at Mount Horeb – not to worship the sun, moon and stars. Satan steals and counterfeits everything pertaining to the true creator Jesus Christ.

Deuteronomy 17:3 “And hath gone and served other gods, and worshipped them, either the sun, or moon, or any of the host of heaven, which I have not commanded;”

Right now, we live in the very end-times; we are at the time in which all our old Patriarchs of old, the Apostles, true Church leaders and brethren right through time were looking towards. There is yet one more horror time; the period of the greatest upheaval to have ever befallen mankind which is almost here. I’m referring to the “Great Tribulation” and “the Day of the Lord” – a period in total of 3.5 years before Christ returns and intervenes before mankind wipes himself off the Earth. Christ defeats anyone opposed to Him at the Battle of Armageddon where He single handedly defeats a huge army of 200,000,000 and ushers in His 1000 year Millennial rule with the resurrected saints assisting while being head quartered in Jerusalem.

Speed the day of Christ’s return!
